

# The Mental Health and Community Impacts of FIFO Work

Speakers from government, industry, the mental health sector, the FIFO workforce and academia will discuss issues and evidence related to mental health and FIFO work within the resources sector.

**Dr. Graham Jacobs**, MLA, Chair of Western Australian Legislative Assembly Health and Education Standing Committee Inquiry into mental illness in Fly-In/Fly-Out workers

**Tim Marney**, Mental Health Commissioner of Western Australia and formerly Under Treasurer of Western Australia. He is currently deputy chair of the beyondblue board of Directors.

**Michelle Andrews**, Deputy Director General Strategic Policy, Department of Mines and Petroleum

**Philippa Vojnovic**, PhD candidate researching FIFO well-being and FACE co-convenor

**Adam Gale**, FIFO lived experience frontline worker and OHS service provider

**Judy Esmond**, Associate Professor, UWA has an ongoing interest in and has been active with children and families affected by working away parents

The forum will be facilitated by **Lorili Jacobs** (FACE co-Convenor) who is undertaking her PhD exploring pregnancy in the context of Fly-In Fly-Out work and lifestyle at the UWA School of Population Health and WA Centre for Rural Health.
