

2015 FIFO FORUM

Image courtesy of Victor Habbick at FreeDigitalPhotos.net

Fly-In Fly Out Australian Center of Excellence (FACE) Network is proud to present our first FIFO Forum. The Forum brings together speakers from various universities to deliver cutting edge research **from the desktop**, as well as speakers from organisations and individuals **at the coal face**, presenting the benefits and costs of 'living the dream'. Please refer to the Forum Program for more detail.

FIFO Australian Community of Excellence

(FACE) serves as an independent network and repository of knowledge drawn from all corners of the resources sector in Australia and beyond.

This collaborative community of government representatives, industry specialists, researchers and service providers promote enquiries into the affects and outcomes of Fly-in/Fly-out (FIFO) as well as Drive-in/Drive-out (DIDO) and Bus-in/Bus-out (BIBO) rosters on people's lives at work and at home on the individual, familial, community, organisational and international levels.
